

Resolution No. 418

A resolution adopting an amendment to the Clallam County Comprehensive
Solid Waste Management Plan Update 2006

WHEREAS, in 2005, the City of Forks entered into an Interlocal Agreement with Clallam County and the Cities of Port Angeles and Sequim for the purpose of updating the County's comprehensive solid waste management plan;

WHEREAS, the proposed update was adopted by the various governments in 2007;

WHEREAS, a need has arisen requiring the adoption of an amendment to this planning document;

WHEREAS, specifically erosion of the bluff that is associated with the closed Port Angeles landfill has exposed the cell lining and associated drainage to the elements;

WHEREAS, the plan needs to be amended to allow for various approaches to be undertaken by the City of Port Angeles as it deems necessary to ensure the proper containment of the bluff and the materials deposited within the closed landfill;

WHEREAS, the 2006 Comprehensive Solid Waste Management Plan Update should be amended to reflect both the change in the landfill's condition, as well as the critical need to respond to that change;

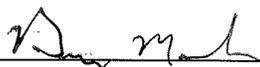

WHEREAS, the City of Port Angeles and Clallam County must have the concurrence of the signatories that adopted the above referenced Update;

WHEREAS, it is in the best interest of the City of Forks to agree to the requested amendment;

NOW, THEREFORE, BE IT RESOLVED:

1. The City of Forks agrees and confirms that the Clallam County Solid Waste Management Plan Update 2006 should be amended to reflect the changes in conditions, and the need to respond to those changes, at the closed Port Angeles landfill;
2. The City agrees to the proposed amendment provided by the City of Port Angeles amending Chapter 7 – Disposal (attached);
3. The City does hereby approve and adopt the attached amendment to the Clallam County Solid Waste Management Plan Update 2006.

Passed by the City Council of the City of Forks at a regular meeting of said Council held on the 25th of March 2013.
