

RESOLUTION No. 434

A Resolution of the City of Forks adopting the 2014 Update of the Clallam County Comprehensive Solid Waste Management Plan

WHEREAS, the 2014 Update of the Clallam County Comprehensive Solid Waste Management Plan contains the required elements for such a plan as mandated by State law, and said elements are important to the City's solid waste management activities; and

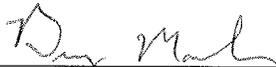

WHEREAS, the update to the existing Clallam County Comprehensive Solid Waste Management Plan was prepared in accordance with Chapter 70.95 RCW, which requires that the City either adopt the county-wide plan or develop its own plan which must be approved by the Department of Ecology; and

WHEREAS, public input and comment was accepted through the development of the plan through various means and ways, and the involvement of the Clallam County Solid Waste Advisory Committee was the main organization associated with the development of the plan; and

WHEREAS, SEPA was complied with by Clallam County with the checklist and notice requirements were provided to the City staff;

NOW, THEREFORE, BE IT RESOLVED by the City Council that the City of Forks adopts the 2014 Update to the Clallam County Comprehensive Solid Waste Management Plan;

PASSED by the City Council of the City of Forks at a regular meeting of said Council on this 9th of June 2014

RE: Clallam County Solid Waste Comprehensive Plan and City Resolution

Dear Ms. Uecker:

Thank you for attending our City Council meeting on 9 June 2014. Your presentation and discussion on the proposed County Solid Waste Comprehensive Plan was greatly appreciated.

Attached please find a copy of the City Council's passed resolution adopting the County plan. I would note that members of the Council did want to reiterate that while adopting the plan's recommendations regarding both the solid waste district and flow control, the City does not endorse those solutions. Rather, the Council agreed with the language in the plan that suggests that these issues be considered by the County with respect to the myriad of approaches to address costs associated with solid waste removal and disposal.

Again, thank you for attending our meeting and presenting to the City Council.

Sincerely,

Bryon Monohon
Mayor
