

Resolution No. 452

A resolution declaring property as being surplus and authorizing its sale

Whereas, the City of Forks has several items which are enumerated on the attached list, that were forfeited or used for various City related purposes;

Whereas, it has been determined that these items are no longer needed for City purposes;

Whereas, state law requires a formal resolution declaring the property to be surplus, and to define any conditions of the sale;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:

1. These items are hereby determined and declared to be surplus to the needs of the City;
2. Due to the condition of the items, the Council hereby determines that the best way to realize fair market value is by selling them at auction;
3. As part of the undertaking to sell said vehicles, the Mayor and Staff are authorized to enter into agreements with public and/or private listing services of surplus government property to ensure that a larger potential audience beyond Forks and Western Clallam County knows of the availability of said property;
4. Sale will be final with the successful bidder having to pay either with cash, a cashier's check, and/or valid credit card;
5. The Clerk/Treasurer will be responsible for overseeing the auction and processing any and all necessary paperwork associated with the sale of the vehicle. The auctioneer will not be permitted to bid on any of the vehicles being auctioned.
6. The Mayor and staff are authorized to further sign any associated titles, registrations, proof of ownerships, etc., needed to transfer ownership of the vehicle to the successful bidder.
7. Further, the Mayor and staff are authorized to take other actions necessary to fulfill the will and objective of the Council to sell these surplus vehicles.
