

Resolution No. 425

A resolution declaring certain vehicles as being surplus property and authorizing their sale

Whereas, the City police department has certain vehicles listed in Attachment A that were used for various City related purposes;

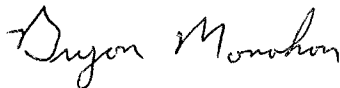

Whereas, it has been determined that the vehicles were no longer needed for City purposes;

Whereas, state law requires a formal resolution declaring the property to be surplus, and to define any conditions of the sale;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:

1. The vehicles listed in Attachment A to this resolution are hereby determined and declared to be surplus to the needs of the City;
2. Due to the age of the vehicles, and their use, the Council hereby determines that the best way to realize fair market value is by selling the vehicles at auction;
3. The Mayor and staff are hereby authorized to advertise the sale of the vehicles in "as is" condition without any warranty and to hold a public auction with the vehicles being sold to the highest bidder;
4. All sales will be final with the successful bidders having to pay either with cash, a cashier's check, and/or valid credit card;
5. The Clerk/Treasurer will be responsible for overseeing the auction and processing any and all necessary paperwork associated with the sale of the vehicles listed in Attachment A. The auctioneer will not be permitted to bid on any of the vehicles being auctioned.
6. The Mayor and staff are authorized to further sign any associated titles, registrations, proof of ownerships, etc., needed to transfer ownership of the vehicles to the successful bidders.
7. Further, the Mayor and staff are authorized to take other actions necessary to fulfill the will and objective of the Council to sell these surplus vehicles.
