The Forks City Council is giving notice that it will hold a public hearing as part of its regular meeting of the Council at 7:30 p.m., 24 April 2017 to gather public comment on a proposed preliminary revision to the Forks Urban Growth Area (FUGA) Comprehensive Plan (Comp Plan). The City of Forks is required to update the FUGA Comp Plan in such a manner as to be compliant with the Growth Management Act. The purpose of this meeting is to obtain from the public their input, reaction, and suggestions to a completely redrafted Comp Plan that includes the goals and policies for the required chapters: Affordable Housing, Capital Facilities, Economic Development, Land Use, Transportation, and Utilities. The proposed revised Comp Plan focuses more on goals, objectives and policies associated with these issues. The Comp Plan also guides the City's revisions of its Zoning Code, Critical Areas Ordinances, and other development regulations. A draft Capital Facilities Improvement Program list will be made available at the time of the hearing as part of this update.

A copy of the draft may be found at the City's website: [www.forkswashington.org](http://www.forkswashington.org). Individuals may submit written comments on the preliminary revision of the Comp Plan by sending those to [rodf.forks@forkswashington.org](mailto:rodf.forks@forkswashington.org). To be included in the materials at the public meeting, comments need to be received by no later than 4 p.m. on 29 Jun 2016.
