Clarification/Modification on 3 Aug 2017 Burn Ban in the City of Forks

Based upon weather conditions and the imposition of a total burn ban by State and County officials, the City's Burn Ban ordered on 3 Aug 2017 is hereby clarified and/or modified to prohibit the use of briquette barbeques and wood fired smokers for cooking. Winds combined with flying ash or embers could be the basis for the start of a fire.

Utilization of gas fired grills is still permitted under this clarification and/or modification.

Signed this 11th of September 2017.

Bill Paul 
Fire Chief
Clallam County Fire District #1
