ESTIMATED SIZE OF BURN PILE(S)

- [_____] in diameter & [_____] in height
- [_____] in width, [_____] in length, and [_____] in height

\$10 Permit Fee Received

I hereby acknowledge, accept and agree that as the applicant, or the agent of the applicant, that I undertake the burning of said material, upon being awarded a permit and permission to proceed with the permitted outdoor burning, at my own risk and I further indemnify, hold harmless and release the City of Forks, its officers, its staff and their appointed agents from any and all liability that may arise out of my burning of the above described material pursuant to the permitting process established by the City of Forks.

Further, I here by certify that to the best of my knowledge and belief, the primary source of the material for which I am seeking this permit originated entirely and/or in part from the storm related events covered by the Resolution of the City Council of the City of Forks (Res. No. 472).

I acknowledge that I have read the list of materials which may not be burned in any activity undertaken by a permit issued to me as a result of this application. I further acknowledge and agree that if I were to burn any such material that I understand that such actions if proven could result in civil and/or criminal penalties at a local and or state level.

Finally, I acknowledge that I will not be permitted to burn the material described within this permit until receiving notice that I can do so from the City of Forks. If I undertake the burning of the described materials prior to the receipt of such notice and at a time other than that described in that notice, I also understand that I may prosecuted for such activities by the City and/or other enforcement agencies.
