I have read and completed the application and know it to be true and correct. I am authorized to apply for this permit and understand that it is my responsibility to determine which permits are required and to obtain those permits prior to beginning work. I understand that additional information may be required when determined necessary by the building official, and that the application will be considered abandoned and fees forfeited if the permit is not picked up within 180 days of submittal. *\*The City of Forks does not maintain tax parcel number information. If you do not have this number, you can look it up by using the Property Search link on the Home page of the Clallam County website ([www.clallam.net](http://www.clallam.net)).*

Section R907.3 of the International Residential Code states:

New roof coverings shall not be installed without first removing all existing layers of roof coverings where any of the following conditions exist:

1. Where the existing roof or roof covering is water-soaked or has deteriorated to the point that the existing roof or roof covering is not adequate as a base for additional roofing.
2. Where the existing roof covering is wood shake, slate, clay, cement or asbestos-cement tile.
3. Where the existing roof has two or more applications of any type of roof covering.
