

Resolution No. 494

A resolution declaring property as being surplus and authorizing its sale.

Whereas, the City of Forks has several items which are enumerated on the attached list, previously used for various City related purposes or seized per RCW 69.50.505(8)(c) and (9)(a);

Whereas, it has been determined that these items are no longer needed for City purposes;

Whereas, state law requires a formal resolution declaring the property to be surplus, and to define any conditions of the sale;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:

1. These items are hereby determined and declared to be surplus to the needs of the City;
2. Due to the condition of the items, the Council hereby determines that the best way to realize fair market value is by selling them at auction or through fleet management services;
3. As part of the undertaking to sell said items, the Mayor and Staff are authorized to enter into agreements with fleet management services, or public and/or private listing services of surplus government property to ensure that a larger potential audience beyond Forks and Western Clallam County knows of the availability of said property;
4. If sold through auction, sale will be final with the successful bidder meeting the payment requirements of the auction company;
5. The Clerk/Treasurer will be responsible for determining whether surplus property will be sold through auction or through fleet management services, taking into consideration the most profitable potential outcome;
6. The Clerk/Treasurer will be responsible for overseeing the auction and processing any and all necessary paperwork associated with the sale of these items;
7. The Mayor and staff are authorized to further sign any associated titles, registrations, proof of ownerships, etc., needed to transfer ownership of the items to the successful bidder;
8. Further, the Mayor and staff are authorized to take other actions necessary to fulfill the will and objective of the Council to sell these surplus items.

Passed this 8th day of February 2021 by the Forks City Council during a regularly scheduled meeting.

Tim Fletcher, Mayor
