- b. Any adjustments made by the City to the salary schedule used above during the life of this agreement would be applicable to the members of the bargaining agreement.
 NOTE: It is the intent of the parties to adjust the salary schedule by the CPLU
- Seattle/Tacoma/Bellevue upon mutual agreement in future contracts.

 a. (3). If the City were to develop a new salary schedule from that used in 2.a. (1. and 2.a. (2). above, the parties agree that the City will migrate the members to the nearest similar wage level that is at par, or higher than what is listed above.
- Section 2. b Field Training Officer and Coordinator, The City may develop a Field Officer Trainer and Coordinator (FTO) position in the future with the understanding that any such position developed would include an hourly supplemental payment to the employee in that position or undertaking those assigned duties.
- Section 3. New entry employees shall be employed at the entry step until the completion of a mandatory twelve (12) month probation period (see Article 8, Section 6); provided, that the Employer may determine it is necessary for recruitment purposes to offer employment to a new employee at a higher step.

- Section 4. Employees shall move through the Step System automatically after twelve (12) months, upon a satisfactory evaluation approved by the Department Head. If the Department Head has not evaluated an employee in a timely fashion (prior to anniversary date) the advancement shall be automatic.
- Section 5. If an employee does not receive a step increase for cause, the Employee shall have an opportunity for rebuttal and appeal to the Department Head and then to the Mayor. The Employee shall have the right to Union representation.

Ordinance	No.
Cidiianic	INO.

An ordinance adopting the revised 2024-2027 Sworn Officers and Uniformed Employees/Corrections Salary Positions

- WHEREAS, the City of Forks had a collective bargaining agreement with the members of Teamsters Local No. 589 that expired at the end of 2023;
- WHEREAS, negotiations between the City and the bargaining unit concluded after the adoption of the City Budget and the recommendation was to adjust the various positions and their levels in those positions to different salary classifications and levels;
- WHEREAS, the Council's adoption of the budget could be argued to include the affirmation of the salary classifications and levels used to calculate the overall budget levels for the various departments;
- WHEREAS, the proposed changes negotiated by the City and approved by the City Council can be accommodated without amending the budget amounts adopted;
- WHEREAS, state law requires modification of employment salaries to be done by action of the City Council;

BASED THEREON, THE CITY COUNCIL OF THE CITY OF FORKS DOES ORDAIN AS FOLLOWS:

Section 1. Acknowledgement of agreed upon Collective Bargaining Agreement.

At the same meeting during which this ordinance was considered, the Council was provided the changes negotiated to the previously agreed upon collective bargaining agreement with Teamsters Local No. 589 for review and adoption. After review, the Council was asked to authorize the Mayor and his staff to execute an agreement with those negotiated changes effective 1 January 2024 and to end on 31 Dec 2026. By an affirmative vote of the Council present, that authorization was granted. In doing so, the Council also affirmed that the funding to cover the costs associated with the salary increases would be taken from an unfilled, but budgeted for, Patrol Sargent's Position.

Section 2. Ordinance Introduction and Passage

Community Service, Work Release, Trustee Hours

An inmate that is eligible for Community Service earns additional time off their sentence for good behavior and has the freedom to work with Public Works personnel outside of the Jail. Inmates are housed in a trailer behind the Jail as a reward. The trailer has ten bunks, a bathroom with shower, flat screen TV and microwave. Inmates are also allowed to go outside within the fence line where they can play basketball during their off hours. Other inmates housed in the trailer are Work Release Inmates and Jail Trustees.

Between October 1 and December 31, 2023 trustees assisted Public Works personnel with 572 total man hours.

Between October 1 and December 31, 2022 trustees assisted Public Works personnel with 784 total man hours.

Eligible inmates pay \$15.00 per day for the privilege of Work Release. One subject was on work release for 6 days during the period October 1, 2023 through December 31, 2023 for a total income of \$90.00. No subjects were on Work Release for the period October 1 through December 31, 2022. This program allows eligible inmates to maintain their job while serving their sentence. There is no credit for good behavior on this program.

Jail Trustees are the inmates who keep the Jail clean and sanitary and prepare all meals. They help with maintenance in the Jail to include mowing and weed-eating the grounds. There are two shifts of Trustees, a day shift and a night shift.

Figures are acquired from the Dept. of Revenue (www.dor.wa.gov) and are two months behind. Figures are the total of both "Special Hotel/Motel" and "Transient Rental" taxes combined. Percentage is the amount changed from one year (month to date) to the next (month to date). Clallam, Jefferson, Grays Harbor, and Mason County figures refer to all lodgings within county borders excluding the major towns already listed.

Figures are acquired from the Dept. of Revenue (www.dor.wa.gov) and are two months behind. Figures are the total of both "Special Hotel/Motel" and "Transient Rental" taxes combined. Percentage is the amount changed from one year (month to date) to the next (month to date). Clallam, Jefferson, Grays Harbor, and Mason County figures refer to all lodgings within county borders excluding the major towns already listed.

Exit Conference: City of Forks

The Office of the Washington State Auditor's vision is increased trust in government. Our mission is to provide citizens with independent and transparent examinations of how state and local governments use public funds and develop strategies that make government more efficient and effective.

The purpose of this meeting is to share the results of your audit and our draft reporting. We value and appreciate your participation.

Audit Reports

We will publish the following reports:

- Accountability audit for January 1, 2020 through December 31, 2022 see draft report.
- Financial statement audit for January 1, 2021 through December 31, 2022 see draft report.

Audit Highlights

We sincerely appreciate the assistance of the City throughout the audit process. We would like to thank Clerk/Treasurer Caryn Depew and Accounting Technician/Deputy Clerk Ginger Simons for their diligence in providing information and documentation in response to audit requests in a timely, organized, and easy-to-follow yet detailed manner which assisted in the efficient completion of this year's audits.

Recommendations not included in the Audit Reports

Exit Items

We have provided exit recommendations for management's consideration. Exit items address control deficiencies or noncompliance with laws or regulation that have an insignificant or immaterial effect on the entity, or errors with an immaterial effect on the financial statements. Exit items are not referenced in the audit report.

Financial Statement Audit Communication

We would like to bring the following to your attention:

- We didn't identify any material misstatements during the audit.
- There were no uncorrected misstatements in the audited financial statements.
- The audit addressed the following risks, which required special consideration:
 - Due to the possibility that management may be able to circumvent certain controls, standards require the auditor to assess the risk of management override.

Finalizing Your Audit

Report Publication

Audit reports are published on our website and distributed via email in a .pdf file. We also offer a subscription service that notifies you by email when audit reports are released or posted to our website. You can sign up for this convenient service at https://portal.sao.wa.gov/SAOPortal.

Management Representation Letter

We have included a copy of representations requested of management.

Audit Cost

At the entrance conference, we estimated the cost of the audit to be \$41,000 and actual audit costs will be about \$4,000 less than that amount. This is due to the City's well-organized documentation, quick responses to our requests, and less travel costs than anticipated.

Your Next Scheduled Audit

Your next audit is scheduled to be conducted in summer 2025 and will cover the following general areas:

- Financial statement
- Federal programs

The estimated cost for the next audit based on 2024 rates is \$28,000 plus travel expenses. This preliminary estimate is provided as a budgeting tool and not a guarantee of final cost.

Working Together to Improve Government

Audit Survey

When your report is released, you will receive an audit survey from us. We value your opinions on our audit services and hope you provide feedback.

Local Government Support Team

This team provides support services to local governments through technical assistance, comparative statistics, training, and tools to help prevent and detect a loss of public funds. Our website and client portal offers many resources, including a client Help Desk that answers auditing and accounting questions. Additionally, this team assists with the online filing of your financial statements.

The Center for Government Innovation

The Center for Government Innovation at the Office of the Washington State Auditor offers services specifically to help you help the residents you serve at no additional cost to your government. What does this mean? We provide expert advice in areas like Lean process improvement, peer-to-peer networking, and culture-building to help local governments find ways to be more efficient, effective and transparent. The Center can help you by providing assistance in financial management, cybersecurity and more. Check out our best practices and other resources that help local governments act on accounting standard changes, comply with regulations, and respond to recommendations in your audit. The Center understands that time is your most precious commodity as a public servant, and we are here to help you do more with the limited hours you have. If you are interested in learning

Report on Accountability

Thank you for the opportunity to work with you to promote accountability, integrity and openness in government. The Office of the Washington State Auditor takes seriously our role of providing state and local governments with assurance and accountability as the independent auditor of public accounts. In this way, we strive to help government work better, cost less, deliver higher value and earn greater public trust.

Independent audits provide essential accountability and transparency for City operations. This information is valuable to management, the governing body and public stakeholders when assessing the government's stewardship of public resources.

Attached is our independent audit report on the City's compliance with applicable requirements and safeguarding of public resources for the areas we examined. We appreciate the opportunity to work with your staff and value your cooperation during the audit.

Sincerely,

Pat McCarthy, State Auditor

AUDIT RESULTS

Results in brief

This report describes the overall results and conclusions for the areas we examined. In those selected areas, City operations complied, in all material respects, with applicable state laws, regulations, and its own policies, and provided adequate controls over the safeguarding of public resources.

In keeping with general auditing practices, we do not examine every transaction, activity, policy, internal control, or area. As a result, no information is provided on the areas that were not examined.

About the audit

This report contains the results of our independent accountability audit of the City of Forks from January 1, 2020 through December 31, 2022.

Management is responsible for ensuring compliance and adequate safeguarding of public resources from fraud, loss or abuse. This includes the design, implementation and maintenance of internal controls relevant to these objectives.

This audit was conducted under the authority of RCW 43.09.260, which requires the Office of the Washington State Auditor to examine the financial affairs of all local governments. Our audit involved obtaining evidence about the City's use of public resources, compliance with state laws and regulations and its own policies and procedures, and internal controls over such matters. The procedures performed were based on our assessment of risks in the areas we examined.

Based on our risk assessment for the years ended December 31, 2022, 2021 and 2020, the areas examined were those representing the highest risk of fraud, loss, abuse, or noncompliance. We examined the following areas during this audit period:

- Payroll gross wages, overtime and electronic funds transfers
- Accounts payable general disbursements and electronic funds transfers
- Tenant leases compliance with contract terms
- Open public meetings compliance with minutes, meetings and executive session requirements
- Financial condition reviewing for indications of financial distress

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the Washington State Constitution and is part of the executive branch of state government. The State Auditor is elected by the people of Washington and serves four-year terms.

We work with state agencies, local governments and the public to achieve our vision of increasing trust in government by helping governments work better and deliver higher value.

In fulfilling our mission to provide citizens with independent and transparent examinations of how state and local governments use public funds, we hold ourselves to those same standards by continually improving our audit quality and operational efficiency, and by developing highly engaged and committed employees.

As an agency, the State Auditor's Office has the independence necessary to objectively perform audits, attestation engagements and investigations. Our work is designed to comply with professional standards as well as to satisfy the requirements of federal, state and local laws. The Office also has an extensive quality control program and undergoes regular external peer review to ensure our work meets the highest possible standards of accuracy, objectivity and clarity.

Our audits look at financial information and compliance with federal, state and local laws for all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits and cybersecurity audits of state agencies and local governments, as well as state whistleblower, fraud and citizen hotline investigations.

The results of our work are available to everyone through the more than 2,000 reports we publish each year on our website, www.sao.wa.gov. Additionally, we share regular news and other information via an email subscription service and social media channels.

We take our role as partners in accountability seriously. The Office provides training and technical assistance to governments both directly and through partnerships with other governmental support organizations.

INDEPENDENT AUDITOR'S REPORT

Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

City of Forks January 1, 2021 through December 31, 2022

Mayor and City Council City of Forks Forks, Washington

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the City of Forks, as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the City's financial statements, and have issued our report thereon dated January 12, 2024.

We issued an unmodified opinion on the fair presentation of the City's financial statements in accordance with its regulatory basis of accounting. We issued an adverse opinion on the fair presentation with regard to accounting principles generally accepted in the United States of America (GAAP) because the financial statements are prepared by the City using accounting practices prescribed by state law and the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) manual described in Note 1, which is a basis of accounting other than GAAP. The effects on the financial statements of the variances between the basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audits of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified.

Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses.

REPORT ON COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, this

report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

INDEPENDENT AUDITOR'S REPORT

Report on the Audit of the Financial Statements

City of Forks January 1, 2021 through December 31, 2022

Mayor and City Council City of Forks Forks, Washington

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Unmodified and Adverse Opinions

We have audited the financial statements of the City of Forks, as of and for the years ended December 31, 2022 and 2021, and the related notes to the financial statements, as listed in the financial section of our report.

Unmodified Opinion on the Regulatory Basis of Accounting (BARS Manual)

As described in Note 1, the City has prepared these financial statements to meet the financial reporting requirements of state law and accounting practices prescribed by the State Auditor's *Budgeting, Accounting and Reporting System* (BARS) Manual. Those accounting practices differ from accounting principles generally accepted in the United States of America (GAAP). The differences in these accounting practices are also described in Note 1.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash and investments of the City of Forks, and its changes in cash and investments, for the years ended December 31, 2022 and 2021, on the basis of accounting described in Note 1.

Adverse Opinion on U.S. GAAP

The financial statements referred to above were not intended to, and in our opinion, they do not, present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the City of Forks, as of December 31, 2022 and 2021, or the changes in financial position or cash flows thereof for the years then ended, because of the significance of the matter discussed below.

Basis for Unmodified and Adverse Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and *Government Auditing Standards*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit unmodified and adverse opinions.

Matter Giving Rise to Adverse Opinion on U.S. GAAP

Auditing standards issued by the American Institute of Certified Public Accountants (AICPA) require auditors to formally acknowledge when governments do not prepare their financial statements, intended for general use, in accordance with GAAP. As described in Note 1 of the financial statements, the financial statements are prepared by the City in accordance with state law using accounting practices prescribed by the BARS Manual, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of state law and the BARS Manual described in Note 1. This includes determining that the basis of accounting is acceptable for the presentation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Performing an audit in accordance with GAAS and Government Auditing Standards includes the following responsibilities:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion
 is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements;
- Conclude whether, in our judgment, there are conditions or events, considered in the
 aggregate, that raise substantial doubt about the City's ability to continue as a going
 concern for a reasonable period of time; and
- We are required to communicate with those charged with governance regarding, among
 other matters, the planned scope and timing of the audit, significant audit findings, and
 certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's financial statements. The Schedules of Liabilities are presented for purposes of additional analysis, as required by the prescribed BARS manual. These schedules are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other

records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

OTHER REPORTING REQUIRED BY GOVERNMENT AUDITING STANDARDS

In accordance with Government Auditing Standards, we have also issued our report dated January 12, 2024 on our consideration of the City's internal control over financial reporting and on the tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the City's internal control over financial reporting and compliance.

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the Washington State Constitution and is part of the executive branch of state government. The State Auditor is elected by the people of Washington and serves four-year terms.

We work with state agencies, local governments and the public to achieve our vision of increasing trust in government by helping governments work better and deliver higher value.

In fulfilling our mission to provide citizens with independent and transparent examinations of how state and local governments use public funds, we hold ourselves to those same standards by continually improving our audit quality and operational efficiency, and by developing highly engaged and committed employees.

As an agency, the State Auditor's Office has the independence necessary to objectively perform audits, attestation engagements and investigations. Our work is designed to comply with professional standards as well as to satisfy the requirements of federal, state and local laws. The Office also has an extensive quality control program and undergoes regular external peer review to ensure our work meets the highest possible standards of accuracy, objectivity and clarity.

Our audits look at financial information and compliance with federal, state and local laws for all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits and cybersecurity audits of state agencies and local governments, as well as state whistleblower, fraud and citizen hotline investigations.

The results of our work are available to everyone through the more than 2,000 reports we publish each year on our website, www.sao.wa.gov. Additionally, we share regular news and other information via an email subscription service and social media channels.

We take our role as partners in accountability seriously. The Office provides training and technical assistance to governments both directly and through partnerships with other governmental support organizations.
