Forks Industrial Park – PUD Electrical Extension
Trenching, Boring & Backfill Project

Addendum Date:	April 23, 2026	Addendum No.:	2
Supersedes:	Addendum No. 1 (April 9, 2026) – Items A-3 and bid opening date only. All other provisions of Addendum No. 1 remain in full force and effect.		
Revised Bid Opening:	Friday, May 1, 2026 at 2:00 PM (revised from Thursday, April 23, 2026 at 2:30 PM)		
Issued By:	Rod Fleck, City Attorney/Planner (360) 374-5412, Ext. 111 rodf@forkswashington.org		

NOTICE TO ALL BIDDERS: This Addendum is hereby made part of the Bid Documents and shall take precedence over any conflicting provisions of the original Bid Package and Addendum No. 1. Bidders shall use the **Revised Bid Form – Addendum No. 2** issued with this Addendum, which supersedes all previous bid form versions. Bidders shall acknowledge receipt of both Addendum No. 1 and Addendum No. 2 on the Revised Bid Form. Failure to acknowledge receipt of all addenda may render a bid non-responsive.

SECTION A – CLARIFICATIONS AND REVISIONS

Item A-1: Horizontal Directional Boring — Revised to Single Bore per Crossing

In response to questions received from multiple bidders, the City has confirmed with Clallam County PUD that the boring requirement at each roadway crossing is revised as follows:

Background: Addendum No. 1 specified three (3) individual bores per crossing. PUD has since confirmed that a single bore of sufficient diameter to accommodate all three (3) 3-inch conduits in a single pull-back operation is acceptable and preferred. This revision simplifies the work at each crossing and reduces cost and staging requirements for bidders.

The boring items in the Revised Bid Form – Addendum No. 1 are superseded and replaced as follows:

Bid Item	Addendum No. 1 (Superseded)	Addendum No. 2 (Current)
Item 12 SR 101 Crossing	Three (3) individual bores × 140 LF each = 420 LF total	Single bore of sufficient diameter to accommodate three (3) 3-inch conduits in a single pull-back, as specified by PUD; approximately 140 LF; unit price per LF
Item 13 SSR Crossing	Three (3) individual bores × 90 LF each = 270 LF total	Single bore of sufficient diameter to accommodate three (3) 3-inch conduits in a single pull-back, as specified by PUD; approximately 90 LF; unit price per LF

Bore diameter: The required bore diameter shall be as specified by Clallam County PUD to accommodate the simultaneous installation of three (3) 3-inch conduits in a single pull-back operation. Bidders shall confirm the required bore diameter with PUD prior to submitting their bid. The bore diameter is not specified herein so as not to limit the Contractor's means and methods, provided the resulting bore is acceptable to PUD.

Item A-2: Revised Bid Opening Date and Time

In order to allow adequate time for bidders to review and incorporate the clarifications in this Addendum, the bid opening date is revised as follows:

Item	Previous Date	Revised Date
Bid Due / Bid Opening	Thursday, April 23, 2026 Bids due 2:00 PM Opening at 2:30 PM	Friday, May 1, 2026 Bids due 2:00 PM Opening at 2:30 PM City of Forks City Hall 500 East Division Street, Forks, WA 98331

Note: Contract award would be scheduled for the City Council meeting on Monday, May 11, 2026. All other bid submittal requirements and deadlines remain unchanged.

SECTION B – REVISED BID FORM

A **Revised Bid Form – Addendum No. 2** is issued with this Addendum and is attached hereto. This form supersedes all previous bid form versions, including the Revised Bid Form issued with Addendum No. 1. The Revised Bid Form – Addendum No. 2 incorporates the following changes from the previous version:

- Boring items (Items 12 and 13) revised to reflect a single bore per crossing with quantities returned to 140 LF and 90 LF respectively
- Bid opening date updated to Friday, May 1, 2026
- Addendum acknowledgment block updated to require acknowledgment of both Addendum No. 1 and Addendum No. 2

Bidders must not use the Bid Form from the original Bid Package or the Revised Bid Form from Addendum No. 1. Only the Revised Bid Form – Addendum No. 2 will be accepted. Bids submitted on any previous version of the Bid Form will be considered non-responsive.

ADDENDUM ACKNOWLEDGMENT

Bidders must acknowledge receipt of this Addendum in the space provided on the Revised Bid Form – Addendum No. 2. Failure to acknowledge receipt of all addenda may render a bid non-responsive.
